

**LIGIER JS F3**

Ligier JS F3 | Tech Memo

#1 – 1.15.2019

## FIA HALO HOLOGRAM

FIA Type 1 Part

The FIA regional F3 approved Halo is specific to the Ligier JS F3 and must bear both the tamper-proof manufacturer certification label and the tamper-proof FIA homologation hologram.

The FIA manufacturer certification label and hologram are not only proof of the product being genuine, but also proof of homologation. The certification and hologram must not be tampered with. Never try to remove or reposition the certification or label, tampering will damage it.
