

F3 Technical Regulation Bulletin

No: TRBF3-2018-002
Date: August 27, 2018
Subject: Minimum Weights

For the 2018 F3 Americas Sporting regulations, section 25.1, minimum weight for the car is 1475 pounds. In section 25.2, minimum weight of car plus driver will be 1670 pounds.

If ballast is required, it must be mounted only in the locations specified in section 3.12 of the Onroak Information Manual, release 0.2. The maximum allowable ballast amount for each location is also specified in 3.12.

Once homologation papers have been received from the FIA and released under SCCA cover, ballast location and allowable amount will be reviewed and, if necessary, revised.
